

Parent/Student/Teacher Compacts

Learning can take place only when there is a combination of effort, interest, and motivation. Since we are committed to your child's progress in school, we are going to do our best to promote his or her achievement.

Compacts make sure that everyone owns the responsibility of helping children achieve high academic standards. This compact is a promise to work together. We believe that this compact can be fulfilled by our team effort. Together we can improve teaching and learning.

The school will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the challenging State's Student Academic Achievement Standards and state/local academic assessments.
- Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.
- Provide parents with frequent reports on their child's progress.
- Provide parents reasonable access to staff in person and via the parent portal system.
- Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities.
- Ensure that information related to school and parenting programs, meetings, and other activities sent to parents of participating children and sent in a format and to the extent practicable in a language the parents understand.
- Provide materials and training to parents to work with their children to improve their child's achievement, such as literacy training and using technology (including education about the harms of copyright piracy).
- Provide all parents with access to fully participate in school activities including students who are classified as homeless, foster-care, military dependent and/or migrant.
