

May 25, 2017

Dear Whale Branch Middle School families,

Each WBMS student has had the opportunity to choose a book to take home for summer reading.

Every middle school student at WBMS is expected to read at least one book this summer. Students may create a video this summer summarizing the main points of their book and post to our Facebook page. We will also video students talking about their book to post on the Morning News Show during the 2017-2018 school year. All students will meet with their ELA teacher at the beginning of the school year to discuss what they read over the summer. This will allow teachers to learn more about the students as readers.

For your video, please include:

Title and author of the book.

Main characters

Overall events in the story

Main Conflict

Personal opinion about the book

Or if Nonfiction:

Title and Author of the book

Main topic

Supporting Details

3 Interesting facts

Structure or organization of the book

We will also host a Back to School Party for students who read over the summer. Students must have their summer reading books to enter the party, as well as a completed video of their book.

Beaufort County Public Library hours
